PER CURIAM:

Patricia Barnes appeals the district court's order dismissing her action alleging employment discrimination. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Barnes v. Carolinas Med. Ctr., No. CA-02-486-3-V (W.D.N.C. Apr. 8, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
